**MISSED APPOINTMENT FEE:**

It has always been our contention that your time is valuable. Please understand that this time has been reserved for you only. We will be happy to reschedule an appointment at a more convenient time for you. However, it is our policy that an appointment that has not been cancelled or re-scheduled with 2 business days notice will be subject to a missed appointment fee of **\$50.00** and is not payable by your insurance.

**INSURANCE POLICY:**

I understand my dental insurance is a contract between the insurance carrier and myself, **not** between the Doctor and the insurance carrier. Your insurance is **not** a guarantee of payment.

We will gladly file your insurance claims as a courtesy at no charge to you. Our goal is to help you maximize your insurance benefits and make any remaining balance easily affordable. Please be prepared to show your insurance card and driver's license at the time of your visit.

If you have any insurance changes, **it is your responsibility to provide updated information at the time of service;** otherwise you will be responsible for the charges incurred.

The patient/guarantor is responsible for their percentage and deductible at the time of service. Please be aware that some insurance companies may not cover all services performed in our office. If for some unforeseen reason your insurance payment is not paid within 45 days, the patient/guarantor is responsible for these charges that are denied/unpaid by your insurance.

**I have read and fully understand my financial responsibilities under this policy.**
